REQUEST TO WITHDRAW THE HOLDING OF ABANDONMENT PURSUANT
TO M.P.E.P. SECTION 711.03 (c)

Box DAC
Assistant Commissioner for Patents
Washington, DC 20231

Sir:

Applicants request a withdrawal of the holding of abandonment for failure to file a reply to the Notice to File Missing Parts pursuant to MPEP section.

Applicants never received a Notice to Comply with Missing Parts of an Application which was mailed 9/5/97. Applicants docket records indicate that no Notice was ever received. Applicants mailed a request for status of this patent application on January 27, 1998 and no response from the USPTO was ever received.

On May 13, 1998, Applicants provided Barbara Landon with a Power to Inspect the file and learned that a Notice to Comply with Missing Parts had been mailed by the USPTO on September 5, 1997 to an incorrect address: 180 Kimbal Way South San Francisco, Ca, Applicants former address, even though Applicants current address was on all the patent application filing documents.

Applicants provided a request to withdraw the holding of abandonment along with the Response to the Notice to Comply mailed on August 24, 1998.

U.S. Serial No. 08/876,132

Page 2

Applicants again Request that the holding of abandonment be withdrawn in the instant application and that the Response to file Missing Parts be entered. Copies of all documents previously submitted to the USPTO in the above-identified application are re-submitted herewith.
